

## NEW RANGE – FLAVOURED GREEN TEAS

We now have, in addition to our selection of English blended teas, a range of traditionally flavoured green teas in drums. This selection of six teas are available as biodegradable infusion bags or loose leaf tea. Both comprise large leaf orthodox teas for well-balanced flavour. Full descriptions of each are given overleaf.

# FLAVOURED GREEN TEAS

## OUR NEW RANGE

Drawing from our extensive range of traditionally flavoured teas we have drawn together six green teas, naturally low in caffeine, to create a magnificent range available as a pack, each of sixty grams loose tea or ten bio-degradable infusion bags. The selection comprises the following:

**Green Tea with Jasmine flowers** This Jasmine is a fine leaf tea with a full flavour of Jasmine flowers with which the tea is mixed during manufactured fragrant it is particularly refreshing on a hot day and is also especially welcome with spicy food.

**Green Earl Grey** Britain's favourite speciality tea in a healthy green form- with low caffeine. Traditionally scented with oil of bergamot and using a base of China green tea our Earl Grey is not too heavily flavoured. Light and refreshing, it is a favourite among our customers.

**Green Tea with Rose** This is pure enlightenment having a good balance of green tea and the heady aroma of fresh rose petals. Indeed what a wonderful summery prospect even on a cold winter's day! A delicate, fresh-tasting and light bodied tea.

**Green Tea with Vanilla** Refreshing and delicate. Enjoy the sublime attractiveness of vanilla combined with healthy and light bodied green tea. It is made using a loosely rolled China green tea. Can be enjoyed at any time of day.

**Moroccan Mint** Made with a good quality China Chun Mee green tea blended with Egyptian Mint, or Spearmint. It makes a refreshing and healthy drink. Long served in Morocco upon welcoming guests. Traditionally sugar is added but we think it is best without.

**Green Tea with Magnolia** A traditional and popular scented green tea, this is an elegant, subtle green tea scented with fresh magnolia flowers. It's easy to develop passion for this gently aromatic tea.

Grey's Teas was founded in 2000 by Richard Grey, descendent of Earl Grey who was British Prime Minister 1830-1834.
